Meeting Guidelines for the Board of Directors

Agendas

1. Agendas for Board meetings will be prepared by the Registrar in collaboration with the Chair and will be aligned with the Strategic Plan. In the event of disagreement between the Chair and the Registrar regarding agenda items, the decision of the Chair shall be final.
2. Directors who wish to request that an item be added to the agenda may bring the matter to the attention of the Chair and the Registrar at least 30 days prior to the scheduled meeting. In considering the request, the Chair and the Registrar will take the following factors into account:
 - a. Board meeting time/capacity.
 - b. Alignment with the Board's strategic agenda/work plan, objectives and Governance Manual.
 - c. Any information collection or research that may be required for the Board to adequately consider the matter, and the time needed to collect the information or conduct the research.
3. If the item is added to the agenda, the General Procedures outlined below apply. Staff will assist with the preparation of any materials related to the item the Director has put forward.
4. If the item is not added to the agenda, the Chair and Registrar shall inform the Director whether the item has been postponed to a future meeting or whether the item has been declined.
5. If an item is declined, the Chair and Registrar should provide reasons for the decision to the Director. If the Director is not satisfied with the reasons provided, the Director can seek a review of the decision by the entire Board.
6. The Board can either uphold the decision of the Chair and Registrar or decide that the item originally proposed by the Director should be added to the agenda for the following Board meeting. The Board's decision is final.

General Procedures

7. Each agenda topic shall be introduced briefly by the person or Committee representative raising it.
8. Any topic on the agenda can be discussed without a motion needing to be made first.

9. The Board will make decisions through motions. Motions will commonly be made if:
 - a. a decision will commit the College to an action or a public position, or
 - b. the Chair or the Board is of the opinion that the nature of the matter or discussion warrants a motion.
10. For a decision by motion, the Chair shall call for a motion when it appears to the Chair that the debate has concluded, or when the time allocated to the debate of the matter has concluded. If a motion is made, the rules on motions will apply.
11. These rules shall apply, with necessary modifications, to meetings conducted by teleconference or any other electronic means permitted by the By-laws, including audio or video conferencing.
12. These rules may be relaxed by the meeting Chair if greater informality is beneficial in the particular circumstances unless the Board requires strict adherence.
13. These meeting guidelines are subject to review periodically.

Motions

14. Motions require a mover and a seconder.
15. Any motions that have not yet been moved, including any proposed motions in the meeting materials, may be modified prior to being put forward.
16. When the motion contains distinct proposals, any Director may require the vote upon each proposition to be taken separately.
17. No Director shall be present in the room, participate in a debate, or vote upon any motion in which they have a conflict of interest, and the vote of any Director with a conflict of interest shall be disallowed.
18. When a matter is being voted on, no Director shall enter or leave the meeting, and no further debate is permitted.
19. Any motion decided by the Board shall not be re-introduced during the same session except by a two-thirds vote of the Board present at the meeting.

Amendments and Other Subordinate Motions

20. A motion that has been moved and seconded may be amended by a motion to amend. The Chair shall rule a motion to amend out of order if it is irrelevant to the main motion or defeats the basic effect of the main motion.
21. When a motion has been moved and seconded, no other motion may be made except:
 - a. a motion to amend the motion,
 - b. a motion to refer the original motion to a Committee for further study or consideration,

- c. a motion to postpone the motion, either indefinitely or to a specific meeting,
 - d. a motion to call the question and proceed to a vote, or
 - e. a motion to adjourn the meeting.
22. When a motion to refer a motion to a Committee has been made, it shall be decided before any amendment is decided and, if it is passed, no further debate or discussion is permitted.
23. A motion to amend the main motion shall be disposed of before the main motion is decided. Only one motion to amend a motion can be made at a time.

Preserving Order

24. The Chair shall preserve order and decorum and shall rule on any question of order or procedure, except where such a ruling would be inconsistent with the Regulated Health Professions Act, 1991, the Physiotherapy Act, 1991, the regulations, the By-Laws or the Governance Policies of the College. A Director may appeal the Chair's ruling to the Board.
25. Whenever the Chair is of the opinion that a motion offered to the Board is contrary to these meeting guidelines or the By-laws, they shall rule the motion out of order and give their reasons for doing so.
26. When any Director wishes to speak, they shall indicate so by raising their hand.
27. The meeting Chair shall manage the speaking order or may delegate management of the speaking order.
28. When called upon, the Director shall address the Chair and confine the discussion to the matter under debate.
29. The Chair may limit the number of times a Director may speak, limit the length of speeches, and impose other restrictions reasonably necessary to finish the agenda of a meeting or to ensure equity in participation.
30. If a Director believes that another Director has behaved improperly or if there is a violation of the College's By-laws or meeting guidelines, they can raise a concern called a "point of order." The Chair shall promptly rule on the point of order. If the Director disagrees with the Chair's decision, they can ask the entire Board to review the matter. The decision of the entire Board is final.
31. Staff members and consultants with expertise in a matter may be called upon to answer questions. In addition, the Registrar may provide information relevant to a matter on their own initiative, subject to the direction of the Chair.
32. Observers at a Board meeting are not allowed to speak to address the Board unless a specific request to address the Board has been made and approved prior to the meeting, and Directors shall not discuss Board matters with the observers.

33. Directors shall mute their electronic devices during Board meetings. Electronic devices can be used during Board meetings to review materials related to the matter under debate and to make notes on the debate.
34. Directors are to be silent while others are speaking.
